making IT easy for schools

We make IT easy for YOU

Think IT is a local authority backed, EU Tendered procurement framework for "Educational Cloud Services" for all education establishments and related organisations in the UK.

What?

?

- EU tendered procurement framework.
- Over 30 of the best educational suppliers.
- 18 different categories that cover all aspects of ICT
- Let by the East of England Broadband Network (E2BN) and backed by 9 local authorities.

Pick

Why?

- We comply with all DfE guidance on buying ICT for schools.
- Being EU tendered means that we have to provide value for money.
- You don't have to get three quotes or go out to tender.
- We provide guarantees. If something goes wrong it's up to us to fix it for you.

And

Results

We can turn your vision into reality

- *"This step puts us at the forefront of ICT in education"* - Mark Harrison
- *"Think IT makes the procurement process really simple"* - Paul Begbie
- *"It has raised the self esteem of the whole school"* - Martin Matthews

Choose

3 tips for today

1 **Price**
Time to benchmark. You should be looking at reducing the price you're paying today and increasing bandwidth.

2 **Capacity/Bandwidth**
You should plan on needing 2-3 times more bandwidth in 3 years time

3 **Term**
Do not sign any telecoms contract for 5 years unless there is an incredibly compelling reason to do so.
